CANTATA. - Last evening the second rehearsal of Queen Esther was held b at the Baptist Church, and was very satisfactory. All singers are desired to be present! at the next rehearsal, on Monday next. We like these things, as they increase sociability, train voices and aid worthy objects.

Sacoup.—The Republican party has preserved
these governments to the hundredth annivermary of the nation's birth, and they are now
subbodiments of the great truths spoken at its
cradle—that all men are created equal; that
they are endowed by their Creator with certain
insilenable rights, among which are life, liberty and the pursuit of bappiness; that for the
attalament of these code governments have
been instituted among men, deriving their just
powers from the commut of the governed, and
until these truths are cheerfully obeyed, or if
needed, are vigorously enforced, the work of the
Republican party is unfinished.

Seathers section of the Union, and the complets protection of its cilines in the free cujoynesse of all their rights are duties to which
the Republican party stands accredity pledged.
